To Whom It May Concern:

Alcom Services has successfully completed many of my design projects. I am very impressed with the quality of their installations, technicians and the care that they extend to every project. They adhere to the bid documents and to the latest industry standards. They are responsive to the Owner and willing to do whatever it takes to get the job done right.

Allen conducts his business with the utmost of professionalism. It is truly a pleasure to have Alcom Services serve as the contractor to my projects.

Sincerely,

Wendy Dulaney
